13. General Collective Investments disclaimer

Collective Investments (CIS) are generally medium to long term investments. Past performance is not necessarily a guide to the future. Collective Investments are traded at ruling prices and may engage in borrowing and scrip lending. Unit trust prices are calculated on a net asset value basis, which is the total value of all assets in the portfolio including any income accrual and less any permissible deductions from the portfolio. A schedule of fees and charges and maximum commissions is available from the manager/scheme. Commission and incentives may be paid and if so, will be included in the overall costs. The portfolio may borrow up to 10% of the portfolio net asset value to bridge insufficient liquidity. Forward pricing is used. BCI is a full member of the Association for Savings & Investment SA (ASISA).

Participatory interests (units) are priced using the forward pricing method, and prices are calculated on a net asset value (NAV) basis. The NAV price is the price at which you can buy or sell units. NAV can be defined as the total market value of all assets in the portfolio, including any income accruals, less any permissible deductions in terms of the Act, divided by the number of units in issue. Permissible deductions include brokerage, auditor’s fees, bank charges, trustee fees and service charges of the manager.

The investor applies to invest in the collective investments managed by BCI in accordance with the provisions of BCI at the ruling purchase price at the close of business on the date of receipt of the funds by BCI, or being placed in receipt of this application, whichever is the later, provided it is received by the daily cut off time of 14h00 (South African time). If received after 14h00 (South African time) then the following business day’s ruling prices shall be used to calculate the purchase value of the investment. Cut off for money market portfolios are 11:30am. The portfolios are priced daily at 15h00.

BCI will not be liable for any loss incurred due to incorrect information being supplied by the investor and/or your financial advisor.

Without prejudice to any other rights which BCI may have in terms hereof or at law, the investor agrees that BCI shall be entitled to recover from the investor any amount of money paid to the investor which the investor is not entitled to for whatsoever reason, including interest thereon.

Should BCI be prevented from fulfilling any of its obligations in terms of an application as a result of an event not within the reasonable control of BCI, those obligations shall be deemed to have been suspended to the extent that and for as long as BCI is prevented from fulfilling those obligations.

All fees and expenses applicable to the investment as explained or disclosed to the investor in any Minimum Disclosure Documents and or marketing material shall be deducted from the investments.

All payments will be electronically transferred into the bank account of the investor only.
